Welcome to Bath

In the morning we left Wells and we went to Bath and we arrived at 9.30, we waited for the guide and then we started the guided tour of Bath on our coach and we saw many monuments like the Royal Crescent and Queen Square, or the Circus. The architecture of the city is amazing and it was very cool.

Today , Wednesday 27th April we visited the Roman Baths in Bath. It was beautiful ! There was water in a little swimming-pool, it was very hot because there was a spring of hot water that was used by Roman people between the 1st and the 4th century AD for medical reasons. The Goddess Sulis Minerva was very important for Roman people and that's why there is a temple dedicated to her.
