Day 1

Today, on our first day, we discovered Shakespeare's life. We learned about the most important events in his short life from his arrival in London to his death. We understood how he wrote his plays and it was really interesting. We even acted in a play ! In the afternoon, we discovered the City of London. We admired a lot of famous monuments : St Paul's Cathedral, Tower Bridge and very tall scyscrapers. It was an amazing day !
